# Local Course Rules

**Cart Paths** - The cart path is defined as the point where the roots of the grass and the concrete edge of the cart path (including raised edging) meet (unless marked by string). All other improvements (see examples below) adjacent to the cart path are not part of the cart path. The out-of-bounds line is a vertical up-and-down plane. The out-of-bounds line is part of the out-of-bounds area. Therefore, a disc landing on dirt or grass growing over a cart path edge is out-of-bounds when 100% of the disc is on the O.B.-side of the vertical plane.

Concrete curbing/edging is part of the cart path.

Concrete drains are not part of the cart path.

Concrete areas adjacent to paths are not part of cart path.

**Course Availability** - Courses are closed after Wednesday. Players caught playing a closed course are in violation of Player Misconduct and subject to immediate disqualification.

**Discs Retrieval (from Back Yards & Water Areas)** - Entering into private yards or wading into water to retrieve a disc will be seen as Player Misconduct and subject to immediate disqualification and potential criminal/trespassing charges by the police.

**Island Holes** - Disc must come to rest on marked island. If island missed, take one-stroke penalty and next shot from the designated drop zone. For every additional shot which does not land on island, follow penalty rule (806.02(D)) for all other out-of-bound shots.

**Media Policy** - The Host & PDGA reserves the right to approve all video production and professional photography used for any purpose, including social media and commercial needs. Approval for media coverage may be subject to a fee to be determined by Host. Individuals in violation of the media policy will be seen as Player Misconduct and subject to immediate disqualification and potential criminal/trespassing charges by the police.

**Sand Traps** - The sand trap is defined as the point where the roots of the grass and the sand meet (unless marked by string). The hazard line is a vertical up-and-down plane. The hazard line is part of the hazard area. Therefore, a disc landing on grass growing over a sand trap is in the hazard when 100% of the disc is on the hazard-side of the vertical plane! Treat sand traps as a hazard (one-stroke penalty and play it where it lies). No relief provided from sand traps.

**Selling of Merchandise** - Permission is not granted to sell merchandise on Wild Horse property without consent of the Tournament Director. Such activities will be seen as Player Misconduct and subject to immediate disqualification.

**Two Meter Rule** - Not in effect for all courses, all holes.

**Water Areas** - Water areas are defined as the point where the water and the roots of the grass meet (unless marked by string). The out-of-bounds line is a vertical up-and-down plane. The out-of-bounds line is part of the out-of-bounds area. Therefore, a disc landing on grass growing over water is out-of-bounds when 100% of the disc is on the O.B.-side of the vertical plane!

**Zero Tolerance** - A player will be disqualified if in violation of any laws or regulations, even if activity occurs before or after a player's round.

**Hole 1**  
Par 3 – 393ft

**Hole 2**  
Par 3 – 270ft

O.B.: Before water/rope & left; cart path & beyond.  
DROP ZONE: As approved by PDGA, if initial throw never crosses in-bounds or if initial throw is lost, take one-stroke penalty and next shot from drop zone. Follow normal penalty rules thereafter.

Aces: Tristan Lucerne (2018)  
O.B.: Cart path & beyond; street curbing & beyond.
