Course To Be Determined

Local Rules

Cart Paths - The cart path is defined as the point where the roots of the grass and the concrete edge of the cart path (including raised edging) meet, unless marked by rope. All other improvements (see examples below) adjacent to the cart path are not part of the cart path. The out-of-bounds line is a vertical up-and-down plane. The out-of-bounds line is part of the out-of-bounds area. **(A disc landing on dirt or grass growing over a cart path edge is out-of-bounds when 100% of the disc is on the O.B.-side of the vertical plane.)**

Concrete curbing/edging is part of the cart path.

Concrete drainage areas are not part of the cart path.

Concrete areas adjacent to cart paths are not part of cart path.

Discs Retrieval (from Back Yards & Water Areas) - Entering into private yards or wading into water to retrieve a disc will be seen as Player Misconduct and subject to disqualification.

Island Holes - Disc must come to rest on marked islands. If island missed, take one-stroke penalty and next shot from the designated drop zone. For every additional shot which does not land on island, take one-stroke penalty and continue drop zone use until disc comes to rest on island.

Media Policy - Video production and professional photography used for promotional & commercial purposes must be approved and includes any use of LVC material monetized or which promotes a brand, business, product, or service. Spectators are not considered media and not granted media access, but welcomed to share LVC images, videos, and stories on personal social media outlets via cell phones as long as such personal posts are in no way monetized or promote a brand, business, product, or service. Professional photography and video equipment is not allowed on site without approval.

Off Map Rulings - This caddy book contains hole-by-hole detailed maps depicting nearby out-of-bounds and hazards. Common sense shall be applied for rulings beyond the areas depicted on the hole-by-hole maps. (Example: A throw on Course Innova, Hole 1, which rolled onto or beyond the cart path near Basket 3 is O.B.)

Sand Traps - Sand traps are hazards (8.06.05). Take one-stroke penalty and play it where it lies (lie is not relocated). No relief provided from sand traps. The sand trap is defined as the point where the roots of the grass and the sand meet (unless marked by rope, then rope). The hazard line is a vertical up-and-down plane. The hazard line is part of the hazard area. **(A disc landing on grass growing over a sand trap is in the hazard when 100% of the disc is on the hazard-side of the vertical plane.)**

Two Meter Rule - Not in effect for all courses, all holes.

Water Areas - Water areas are defined as the point where the water and the roots of the grass meet (unless marked by rope). The out-of-bounds line is a vertical up-and-down plane. The out-of-bounds line is part of the out-of-bounds area. **(A disc landing on grass growing over water is out-of-bounds when 100% of the disc is on the O.B.-side of the vertical plane.)**

Zero Tolerance - Any illegal or inappropriate activities may result in a player being disqualified if in violation of any laws or regulations, even if activity occurs before or after the round.
