On-Site Parking Options & Limits

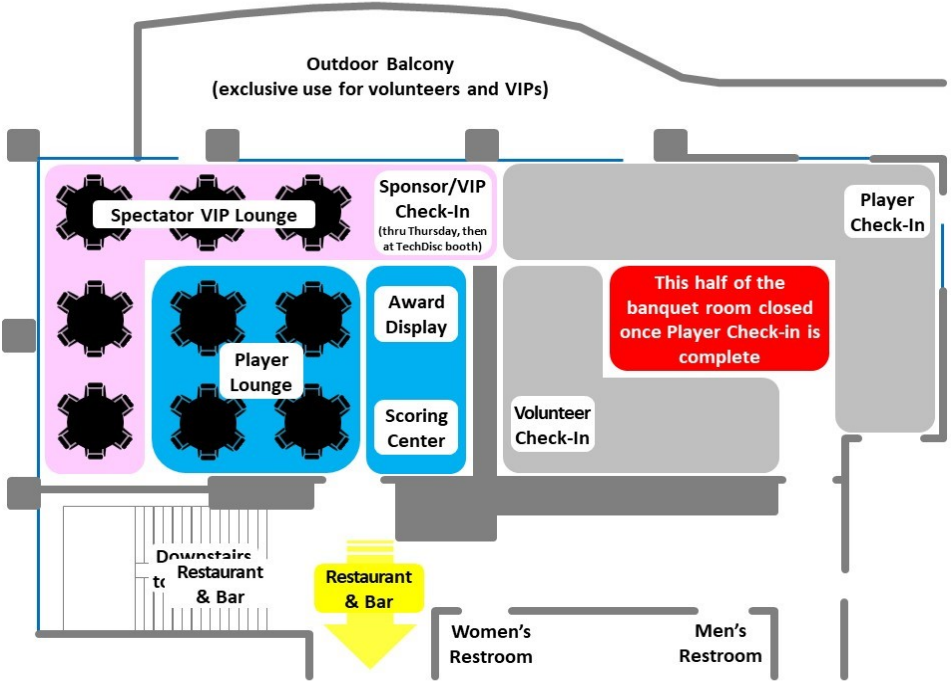

Wildhorse is allowing limited parking on the Driving Range. Driving nets will be installed so practice driving can still occur on-site, within the designated Practice Area. Please be extra careful when driving your vehicle from the Parking Lot to the Driving Range.

For Players that plan on spending a decent amount of time at Wildhorse, we encourage you to utilize the Driving Range parking area so Short-Term players and our Platinum VIP Spectators can utilize the normal Parking Lot.

Unfortunately, there is no on-site or street parking provided for Non-Platinum Spectators or Caddies at Wildhorse. Non-Platinum Spectators and Caddies are encouraged to carpool with a Player, Vendor, or Volunteer, or use Uber/Lyft-like transportation options (a pick-up and drop-off area is provided in the round-about). Vehicles that opt to park on the street, in the emergency lane for Warm Springs, will likely be towed.

When in doubt, use the provisional rule (809.02).

Awards - Ties for second and third place trophies will use final hot round.

Badges - Badges are required to be present while on the property and must be worn at all times unless actively playing/practicing (then carried in bag).

A caddie must be at least 13 years of age and must comply with the same rules & requirements as their player. The Player is solely responsible for their caddie's conduct from the two-minute signal until the player's scorecard is submitted. Any penalties for misconduct by a caddie will be applied to both player and caddie. Caddies are **not part of the player group** for the purposes of making group calls or rulings (also see Player Group).

Cart Paths - The cart path is defined as the point where the roots of the grass and the concrete edge of the cart path (including raised edging) meet, unless otherwise marked by rope or paint. All other improvements (see examples below) adjacent to the cart path are not part of the cart path. The out-of-bounds line is a vertical up-and-down plane. The out-of-bounds line is part of the out-of-bounds area. **(A disc landing on dirt or grass growing over a cart path edge is out-of-bounds when 100% of the disc is on the O.B.-side of the vertical plane.)**
