### Discussion

Only the caddie may walk with the group and must wear the player's provided caddie bib. All other attendees are "spectators" and must acquire a spectator pass to attend the event. Each player receives one Caddie and one Player badge. The Caddie/Player badges also act as Spectator badges.

Smoking areas include all parking lots, streets and services roads, outside balconies, and within 30 feet of any restroom or port-a-potty.

At least one player in the group must use the Digital Scorecard and all players must use either the Digital Scorecard or a paper scorecard.

Players must check in with the starter no less than 5 minutes prior to their tee time each day and be present at the starting hole for the 5 minutes preceding their tee time each day. Players who do not check in with the starter by this time or who are not present at the starting hole for the 5 minutes preceding their tee time receive two penalty throws.
